PLATFORM & RESOLUTIONS.

The Republicans of the State of Nevada in convention assembled again express their loyalty to the principles of the Republican party, which have made the country so great and prosperous during the last quarter of a century.

Resolved: That the question of a sufficient supply of a circulating medium to maintain a permanent range of the price of labor and property is the most important political question awaiting solution by the American people.

Resolved: That a diminishing quantity of money reduces the price of labor and property, increases the cost of production, enriches the creditor, impoverishes the debtor, and paralyzes industry and enterprise.

Resolved: That the present financial system of the United States, which increases or diminishes the circulating medium at the pleasure of the manipulators of the national banks without regard to the increase of population or the wants of the people, and which recognizes gold alone as the standard of value, and places in the hands of the Treasury Department all the revenue of the Government to operate with in bonds and loans to national banks without interest, is subversive of the rights of the people, oppressive, unjust, and should be repudiated.

Resolved: That a financial policy whereby both gold and silver shall form the basis of circulation, whether the money used by the people be coin, or in certificates redeemable in coin, or both as convenience may require, is imperatively demanded.

Resolved: That the attempt to substitute National bank notes, costing the Government millions of dollars annually, for free silver, costing nothing, is an outrage upon the people; that the money ring or trust, which has usurped the sovereign power of the Government to issue money, and which has fraudulently demonstrated silver and sold it for the revenue of the Government at a price to speculate in, since the moral sense of the people and desire to protect Government and Law. We demand that this ring or trust be destroyed and equal rights restored to all people.

Resolved: That we charge that President Cleveland is the willing tool or agent of a powerful money ring which fattens the subsidies of the Government, makes war on silver, issues its paper currency at the expense of the Government, borrows the vast sums raised by taxation on us, and then with the payment of interest, contracts the currency to a shadow the value of bonds, and enriches the money ring. It depresses the price of labor and property.

Resolved: That we favor the nomination of no man for President who is personally interested in National banks or the bonded indebtedness of the United States, but we demand a candidate who is free to do justice to all the people of the country—the poor as well as the rich.

Resolved: That the trickery of the President and his advisers by which they prevented a vote in the House of Representatives on the Bland silver amendment to the bond purchasing bill, equals the villainy of the secret and fraudulent demonization of silver in 1873.

Resolved: That we are in favor of the protection of home industry, and that the laborers of this country have a right to the work required to supply the people of the United States, and that we are in favor of high wages in this country and to that end will protect the wage-workers competition with the cheap labor of other lands.

Resolved: That the policy of the Government should be inaugurated and established by the people through their representatives in both Houses of Congress, and not by the President or the money trust, of which he, either as agent or bond, is most active in defending.

Resolved: That we charge President Cleveland with violating every promise he made in favor of civil service reform, with crippling the

EAGLE MARKET.

Beef, Lamb, Mutton, Veal, Sausage, Etc.

My facilities for purchasing good beef are second to none in the State, and customer can always be assured of the best in the market.

This market was the first in this city to introduce the cold storage process, by which meats can be kept for weeks in the hottest weather. Our cold storage room is the largest and most perfect in the State.

mail services, with refusing to sign the necessary bill for the improvement of rivers and harbors, withholding the power of his administration to prevent appropriations for a navy and coast defense, with attempting to destroy the protective tariff, with courting the good will of other nations at the expense of the citizens of the United States, and with joining the foreign bondholders to demonize silver and destroy the industries of our country, and for the reduction of wages of the Mint employees at Carson, for closing the Carson Mint, when it was not only self-sustaining but a source of revenue to the Government, for its contemptuous veto of pension bills for the relief of disabled soldiers and sailors, and for failing to construct the Government building at Carson as required.

IV. We are in favor of the absolute exclusion of Chinese, and the restriction of immigration, by which the present overcharged condition of the labor market is made worse, and also favor legislation by which a revision of our naturalization and land laws may be accomplished.

V. We demand, in behalf of our various industries, the retention of the duties on lead, brass, soda, hides and leather, and to restore the tariff of 1867 on wool.

Resolved: That we recognize the right of labor to organize for its lawful protection.

Resolved: That we favor liberal appropriations by Congress for hydrographical and topographical surveys in this State to the end that the waste waters may be preserved for the purpose of irrigation.

Resolved: That we endorse the wise and conservative administration of Governor C. Q. Stevenson, and we heartily commend the able efforts of Senators Stewart and Jones and Representative Woodburn in behalf of the interests of the people of this State.

Resolved: That we favor the granting to Nevada of all Government land within the State for the purpose of providing means for irrigation and other improvements.

Resolved: That we favor the reduction of the Treasury surplus by the payment of pensions to Union soldiers, their widows and orphans, the improvement of rivers and harbors, the building of defenses for our sea-coasts, the creation of public buildings, the creation of a navy, the purchase of bonds and the repeal of the internal revenue laws taxing tobacco.

Resolved: That it is the duty of the State to maintain free non-sectarian schools in the rural and sparsely settled districts as well as in towns and thickly settled sections, and that even a division of the school money should be made as will furnish the means of education to all children in the State.

Resolved: That we are in favor of re-opening the Carson Mint for coinage and raising the wages of its employees to the standard paid by the last Republican Administration.

Resolved: That we demand the restoration of the mail service in this State to the efficiency maintained by the last Republican Administration, and favor the payment of fair wages to all postal employees.

AYER'S Sugar-Coated Cathartic PILLS.

If the Liver becomes torpid, if the bowels are constipated, or if the stomach fails to perform its functions properly, use Ayer's Pills. They are invaluable.

For some years I was a victim to Liver Complaint, in consequence of which I suffered from General Debility and Indigestion. A few boxes of Ayer's Pills restored me to perfect health.—W. T. Brightney, Henderson, W. Va.

For years I have relied more upon Ayer's Pills than anything else, to

Regulate my bowels. These Pills are mild in action, and do their work thoroughly. I have used them, with good effect, in cases of Rheumatism and Dyspepsia.—G. F. Miller, Attleborough, Mass.

Ayer's Pills cured me of Stomach and Liver troubles, from which I had suffered for years. I consider them the best pills made, and would not be without them.—Morris Gates, Downsville, N. Y.

I was attacked with Bilious Fever, which was followed by Jaundice, and was so dangerously ill that my friends despaired of my recovery. I commenced taking Ayer's Pills, and soon regained my customary strength and vigor.—John C. Pattison, Lowell, Nebraska.

Last spring I suffered greatly from a troublesome humor on my side. In spite of every effort to cure this eruption, it increased until the flesh became entirely raw. I was troubled, at the same time, with Indigestion, and distressing pains in

The Bowels. By the advice of a friend I began taking Ayer's Pills. In a short time I was free from pain, my food digested properly, the sores on my body commenced healing, and, in less than one month, I was cured.—Samuel D. White, Atlanta, Ga.

I have long used Ayer's Pills, in my family, and believe them to be the best pills made.—S. C. Darden, Darden, Miss.

My wife and little girl were taken with Dysentery a few days ago, and I at once began giving them small doses of Ayer's Pills, thinking I would call a doctor if the disease became any worse. In a short time the bloody discharges stopped, all pain went away, and health was restored.—Theodore Esling, Richmond, Va. 11
